The Colorado 200: 2013

THERE WEREN'T MANY CHANGES to this year's Colorado 200 list. While there may have been some reshuffling among the top 50 firms, there were fewer changes this year than last. Holland & Hart, Davis Graham & Stubbs, Faegre Baker Daniels, Wheeler Trigg O'Donnell and Hall & Evans all added attorneys. Kutak Rock held steady, and a few, Sherman & Howard, Brownstein Hyatt Farber Schreck and Bryan Cave HRO, shed a few attorneys. Local experts say what's happening in Denver reflects what's happening throughout the country, though the end of the year may bring bigger changes. Keep reading Law Week to see what happens.

**This list was compiled both by survey responses from law firms and Internet research.*
